Prague University  
of Economics and Business

Faculty of International  
Relations

## Prague University of Economics and Business

The Prague University of Economics and Business (Vysoká škola ekonomická v Praze – VŠE) is the leading university in the fields of finance, business, economics, statistics and management in the Czech Republic with about 14,000 students. VŠE is a member of many international organizations (EUA, EIASM, etc.), prestigious networks, and international alliances (PIM, CEMS, etc.). The University is ranked by the Financial Times annually. According to the Eduniversal Ranking it is one of the best “business schools” in Central and Eastern Europe.

## Graduates’ Profiles and Job Opportunities

Graduates acquire knowledge of an interdisciplinary nature as required by experts in current international practice. The graduates can work as: agents of the foreign service, assistants of international departments in the field of state administration, junior managers in European and international political and economic institutions and organizations, managers of international projects in NGOs, UN agencies, other international governments and NGOs at lower and junior management levels, and also employees in mass media.

## International and Diplomatic Studies

International and Diplomatic Studies Bachelor’s program of the Faculty of International Relations covers the fields of international politics, international economics, international law, comparative politics and diplomatic history, as well as diplomatic theory and practice. A strong emphasis is placed on issues regarding the European Union and Asia. As part of the program, students can spend a semester abroad at a partner university.

## Degree

The Bachelor’s degree in International and Diplomatic Studies is a Czech national degree awarded by the Prague University of Economics and Business. Graduates are entitled to use the title Bc. according to Czech legislation.
